AIR-TICKET BOOKING PROCEDURE

- a. EMIA participants may either purchase air tickets from one of EMIA's Preferred Service Providers/direct from their own travel agents, provided the amount of the ticket is within the amount quoted by the dti's preferred service providers or directly from the relevant airline. However, should the air ticket be booked and paid for directly through the airline/their own travel agents, the proof of payment must clearly reflect the name of the airline and/or the number of the e-ticket. Proof must also be submitted that the air ticket was not purchased with voyager and/or any other travel miles or benefits.
- b. In cases where an air ticket was paid by the exhibitor and the bank statements do not reflect the name of the beneficiary, then it should at least contain the e-ticket number/ the traveller's name as well as an invoice received from the service provider which must also be submitted.
- c. **the dti** will make a provisional reservation with the travel agent for the traveler from the firm. Details of the reservation in the name of the traveler from the firm, together with the price of the air ticket, which will be purchased by **the dti**, are then forwarded to the firm.
- d. **the dti** then issues an order to the travel agent to issue the tickets for the indicated travelers from the approved firms.
- e. The firm is then given a maximum of 3 working days (unless indicated for a shorter time) to contact the travel agent to confirm the reservation and to have the ticket issued by the travel agent. Failure to confirm the reservation and have the ticket issued will result in the reservation being cancelled. In this case the firm will be liable for any additional costs for the air ticket of the traveler. **the dti** will therefore only cover the costs of the approved ticket amount.
- f. **the dti** covers the costs of the tickets for the shortest / most direct route and for the bookings on the dates relative to the exhibition. Any costs as a result of changes to the booking/deviation to the route and dates are for the firm's own account and must be settled directly with the travel agent.
- g. Should an exhibitor request the appointed travel agent to cancel an air ticket, which has **already been issued**, **the cancellation fee as well as the cost of a new ticket, will be**

solely for the exhibitor's account. EMIA will not provide financial assistance in terms of an air ticket, which has been cancelled and re-issued. The exhibiting firm must also confirm in writing to Director: Export Marketing, the new traveler's details and that this traveler has decision-making capacity.

- h. Should the exhibitor not be able to travel and the air ticket **has not been issued** then a letter from the firm's Chief Executive Officer/Managing Director should be forwarded to the Director: Export Marketing, indicating the following:
 - Reasons why the traveller is unable to travel to the event;
 - Confirming the name and designation of the new traveller;
 - Confirmation that the new traveller is a full-time employee of the firm;
 - Confirmation that the new traveller has decision-making capacity; and
 - A certified copy of the new traveller's passport.
- i. On approval of an application the participant(s) must supply the Travel Agent with the following:
 - Credit Card details or
 - A deposit equivalent to the cancellation fee.

Customer Responsibility

Should changes in the final booking occur due to:

An approved applicant/s cancelling his/her/their participation

- a. An approved applicant/s changing its/their participant's name; and these result in changes to the costs of the booking, in the form of higher prices per ticket, **the dti** will not be responsible for the payment of the increased prices. The applicant(s) will bear the cancellation fee and any additional costs.
- b. All that is required from the customer is to arrange for the issue and delivery of his/her ticket from the service provider.
- c. EMIA will not be responsible for any service fees/administrative fees charged by the Preferred Service Providers or for cancellation fees which are incurred due to travel deviations. All these additional costs must be borne by the customer. Please note that at the time of booking/issuing of ticket the PSP's will request your banking details in order to facilitate these transactions.
- d. **Please note that the dti does not provide travel insurance related to the air ticket.** The exhibitor is responsible to contact the travel agent to arrange travel insurance. The insurance costs will solely be for the exhibitor's account.

Preferred Service Provider: Disclaimer

Please note that EMIA does not accept any liability relating to the non-performance or service delivery of the appointed Preferred Service Providers pertaining to the transport of samples or air and travel arrangements.
